	Strongly agree (4)	Agree (3)	Uncertain (2)	Disagree (1)	Strongly disagree (0)
The curriculum enabled me to acquire competence in the diagnosis and management of common health problems.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have developed the skills to do a complete clinical examination, decide on the relevant investigations and interpret.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The curriculum integrated knowledge in basic medical sciences with its application in clinical practice.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have acquired the skills to use diagnostic equipment and perform common procedures.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have gained a humane approach towards peers, patients and their families.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
The training has enabled me to pursue continued self-learning and to be a life-long learner.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have acquired the skills to access electronic learning resources and apply them.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
The curriculum has created an interest to practice evidence-based medicine and pursue research.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have understood the importance of maintaining accurate medical records.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can recognize the nature of acute medical and surgical emergencies and can effectively carry out basic life-saving procedures.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Strongly agree (4)	Agree (3)	Uncertain (2)	Disagree (1)	Strongly disagree (0)
The curriculum has familiarized me with the importance of National health programmes, prevention and control of diseases, immunization and health education.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The time allotted to cover the curriculum is adequate.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The examination system followed was transparent and fair.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

10. Any suggestions for improvement in the curriculum. *

The curriculum is all about mugging up and has nothing to do with clinical skills and just subjective knowledge which makes us incompetent once we get to internship.

1. The curriculum integrated knowledge in basic medical sciences with its application in clinical practice.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
2. I have developed the skills to do a complete clinical examination, relevant investigations and interpret.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3. The curriculum enabled me to diagnose and manage common health problems.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. I have acquired the skills to perform common clinical procedures.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. I have gained a humane approach towards peers, patients and their families.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. The training has enabled me to pursue continued self-learning and to be a life-long learner.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. I have acquired the skills to access electronic learning resources and apply them.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. The curriculum has created an interest to practice evidence-based medicine and pursue research.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
9. The Integrated Teaching classes conducted have helped me clear my concepts and enabled deeper understanding of the subject	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. I have understood the importance of maintaining accurate medical records.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
11. I can recognize the nature of acute medical and surgical emergencies and carry out basic life-saving procedures.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Strongly agree (4)	Agree (3)	Uncertain (2)	Disagree (1)	Strongly disagree (0)
12. The curriculum has made me aware of the National health programmes, prevention and control of diseases, immunization and health education.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
13. The examination system followed was transparent and fair.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14. Coverage of the course was complete in the prescribed time.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
15. Contents beyond the syllabus were covered adequately.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16. Objectives of the course were achieved.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
17. Lesson plan/schedule of lectures, practicals and tutorials was provided at the beginning of academic year/semester.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
18. I have fully achieved the graduate attributes prescribed for the programme.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
19. Foundation course at the beginning of my MBBS program would have been more helpful.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
20. Early clinical exposure during phase I of MBBS would have been more helpful.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
