INDEX PAGE | 2.6.2

Incremental performance in Pass percentage of final year students in the last five years

HEI Claim and Response

Observations made by the DVV are noted

The discrepancy was caused by the consideration of students graduating based on the rotational internship. As the students of certain programs in a health sciences institution are mandatorily supposed to undergo internship for a period of 06 months to 01 year. They are not considered as graduating students till; they complete their internship.

As per the DVV suggestions, the HEI has verified the requirements and has put up the following claims and supporting evidence for incremental performance in pass percentage of final year students in last five years.

Requesting DVV to kindly consider.

The HEI has given the data for Metric Id: 2.6.2. The data has been reconciled with claims and supporting documents for the kind perusal by the DVV. They are as follows:

- The HEI has filled and resubmitted the revised Institutional data for incremental performance in pass percentage of final year students in last five years in NAAC prescribed data template format as Excel file and enclosed as **Document 1**.

RAMAIAH
Medical College

- The HEI has filled and resubmitted the revised Institutional data for incremental performance in pass percentage of final year students in last five years in NAAC prescribed data template format as PDF version duly signed by the Principal & Dean and enclosed as **Document 2**.
- The HEI has reconciled the data and is resubmitting the consolidated number of students appeared and passed in first attempt in final exams from last five years, duly signed by the Principal and Dean as **Document 3**
- The HEI is submitting the graph sheets showing the trend analysis of five years pass percentage, duly attested by Registrar & Principal and Dean as **Document 4**
- The HEI is submitting the Document regarding result sheet from the affiliating university (RGUHS) as **Document 5**
