Subject: Regarding instituting Awards -Graduation Day of RMC

Dear Dr. Badrinath,

We appreciate your good intention of sending a Cheque/Transferring the amount intended by you for the Endowment Awards to be given to the deserving Undergraduates/Postgraduates during the Graduation Day for their Academic Excellence in their Medical course.

In this connection our suggestion is that certain specialties (except -**Ophthalmology, Paediatrics, OBG, General Medicine, Physiology, Radiology, Cardiology & Neurosciences**) are not covered in the award list. We would be glad if you could suggest the specialties in which the awards needs to the instituted. Moreover let us know on whose name the Endowment awards need to be instituted.

Dear Dr. Badrinath,

Thank you for the mail.

We sincerely appreciate you for instituting two awards (For faculty and ENT PG).

As requested by you, we will notify every year before the details of the recipients of the awards instituted by you.

We will confirm once we receive the funds. Kindly share the details of transaction once it is transferred.

Dear Dr. Rao
Hope all is well. As I had mentioned earlier I would like to Institute an award in the name of my parents for the best faculty member voted on by all the Undergraduates and also for the ENT PG who gets the highest marks in the final exam

The awards can be named:
Dr. RS and Prabha Konety award for excellence in teaching (for faculty member)
Dr. RS and Prabha Konety award for academic excellence (for the ENT PG student)

I am sending Rs. 3lakhs today to the account you had mentioned to be used equally (Rs. 1.5lakhs each) to support the two awards. I will be sending an additional amount in a few months to make the total Rs. 5 lakhs

Thank you for your kind assistance. If you could please confirm receipt of the funds and when the awards are instituted that would be very helpful. I would appreciate being notified yearly when and to whom the awards are given

Kind regards,
