The students from different cultures, regions and languages join hands to celebrate and showcase their respective regional cultures and traditions to everyone present on the occasion. It is a day filled with fun and frolic, culture and tradition everywhere across the campus of Ramaiah Medical College. The Ethnic Day is also celebrated with an intention to explore the talent of students in events like dance, dramatics, singing etc. so as to enable them to participate in the inter collegiate fests.

**Insight 2019:** The literary committee is also credited with initiating the college's Under graduate medical conference '**INSIGHT**' conducted every year. This conference sees a participation of over 400 medical students from all over the country.

**Kannada Rajyotsava 2019** : It has been a tradition ever since the inception of Kannada Sangha in our institute to celebrate the day Karnataka was created on linguistic grounds. This celebration is being called 'Kannada Rajyotsava'. Kannada Rajyotsava is celebrated on 1<sup>st</sup> November every year elsewhere; but since its a holiday for students on that day, it is celebrated in the same month on a planned working day. Every year, we are extremely fortunate to have esteemed Chief guests who are well known in the field of Kannada literature, Art and Culture. The event of **KaviGhoshti** which was organized on this occasion had a good participation both from students and faculty members.

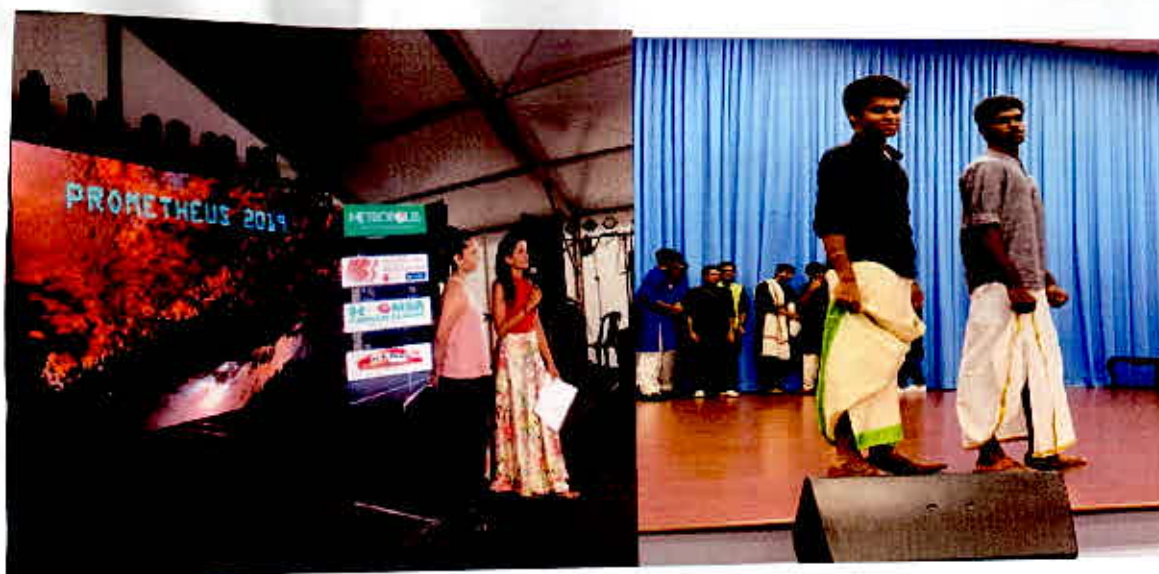

**RAMAIAH HABBA 2019:** This Habba is conducted on the FIRST MONDAY of EVERY MONTH between 4.00 to 5.30 pm, for anybody & everybody who is a member of the Ramaiah Family - staff, students, faculty members, non teaching and administrative staff. The venue is the open stage at Murali Vana- park opposite the Faculty of Hospitality Management & Catering Technology. The student council representatives and members actively involve students for participating and showcasing their talents in the Ramaiah Habba.
