*The Department of Pharmacology, MSRMC is happy to announce that we are ranked 8<sup>th</sup> amongst the ADR monitoring centres in India for reporting of ADR. The Pharmacovigilance center actively monitors ADR and sensitization sessions for the healthcare workers are conducted regularly. The adverse drug reactions are collected from the Ramaiah*

*hospitals and the reports are uploaded to the vigiflow software on a monthly basis. These ADR reports are scrutinized at the national coordination center, Ghaziabad.*

Top 10 AMCs have appreciated for their contribution in terms of reporting ICSRs to PvPI.

S.No.	Name of the AMCs
