

Pharmacovigilance week

The Department of Pharmacology MS Ramaiah Medical College in Collaboration with IPC, Ghaziabad celebrated national Pharmacovigilance week from 17th- 23rd September 2021. The theme was Pharmacovigilance “A step towards patient safety”. The broad objective of the programme was to create awareness on the importance of reporting Adverse Drug Reactions among healthcare professionals. Pharmacovigilance sensitization sessions were conducted for the nursing staff. Essay competition and e-Poster competition were held for medical and allied health sciences students.
